**ISO 9001 : 2015**  
CERTIFIED COMPANY

Established in 1987, Citizen produces high class furniture both in plastic and steel plastic materials.

Haji Bashir Ullah (Late) was the founder of the company. He started production on a small scale. By the grace of Almighty Allah, working hard, continuous concentration and gentle planning resulted positively. Today Citizen is recognized as one of the biggest plastic and steel plastic furniture manufacturers in Pakistan.

Through continuous improvement & innovation, Citizen has tremendously developed to become well reputed for its advanced technology, fine product quality and excellent after sale service, with more than 100 sale net works all over Pakistan.

Precision machining and strict quality control at all stages of production to meet exacting requirements of this modern world is the hallmark of Citizen. This is why, Citizen has achieved ISO 9001-2000 certificate.

The journey which started in 1987, is now in its way of excellence with the commitment of

- Highest Standard of Production.
- Comfort and Safety.
- Strength & Stability.
- Swift Delivery.

Citizen would also like to share with its valuable customers, that a lot of improvement has gone into quality and designs over the recent past. The process of further improvements, even in this stage, continuous at a steady pace and you can await pleasant surprises at this front as well.

Citizen do hope that additions and improvements will contribute significantly towards making our customers living, really worth living!
